

THREE SISTERS CYNTHIANA

Enjoying a glass of this wine is like stepping back in history. The Cynthiana-Norton Winegrape is native to North America. The Cherokee cultivated this grape on The Dahlonga Plateau and Tom Jefferson called it the Great American Claret. Also known as

Norton, this big, bold red has rich notes of black cherry and cinnamon spice. Aged in French and American Oak, Three Sisters Vineyards Cynthiana is truly a unique taste. Best Paired With Lamb Chops Or Duck. Pretty Darn Good With Dark Chocolate Too!
